This design maximizes available space for clothes, featuring both long and double hanging rails for efficient organization.

Increasingly popular shoe storage with added shelves and accessories, usable alongside other shelving and rails.

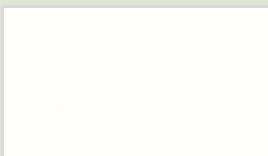

Our most used 2-door multipurpose designs incorporate a mix of shelving and hanging rails for comprehensive clothes storage.

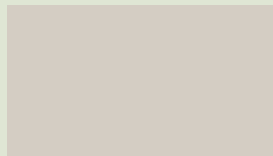

Incorporating drawers within wardrobes optimises space, allowing for a clutter-free room without extra drawers.

A simple yet effective interior design maximises space with long and double hanging options for clothes.

Our most used 3-door design combines shelving and rails for an all-in-one clothes storage solution.

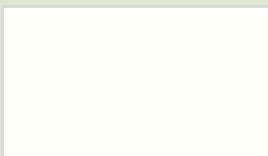

We offer wide shelving options for storing boxes or organising a large volume of clothes in a single area.

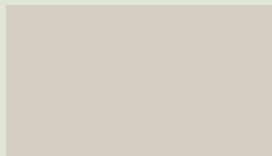

Adding drawers to wardrobes maximises space, eliminating the need for separate chests of drawers.

4 Door Interior Options

A few examples of our interior packages. Extras can be added to better suit your needs.

A spacious 4-door wardrobe design offers up to 8m of hanging space, complete with both long and double hanging rails.

Shoe storage is increasingly popular; we add customisable shoe shelves and accessories for enhanced organisation.

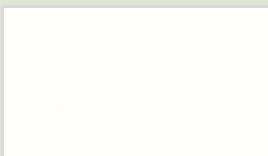

Our best-selling 4-door design features a variety of shelving and hanging rails, perfect for all clothing storage needs.

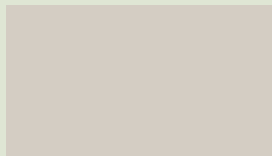

To make the most of large spaces, our wardrobes with added drawers maximise storage, keeping all items organised together.
